Community Emergency Response Training

The CERT program educates people about disaster preparedness for hazards that may impact their area and trains them in basic disaster skills such as fire safety, light search and rescue and disaster medical operations. This training will be provided by members of our Fire Department, Police Department, EMSTAT and Emergency Management. Using CERT

training learned in the classroom and during exercises, individuals can assist others in their neighborhood, workplace or school following an event when professional responders are not immediately available to help.

Natural for the training are neighborhood watch, community organizations, communities of faith, school staff, workplace employees and other groups that come together regularly for a common purpose, but individuals not affiliated are welcome to learn the skills that are useful in disaster and everyday life.

Class is a total of 20 hours and will be held on Tuesday and Thursday evenings from 6:30–9:30 p.m. starting April 5 and ending on April 21.

If you are interested in attending the classes visit cityofmoore.com/cert or contact Kevin Smith at 405-793-4414 or email emergmt@cityofmoore.com.

Recycling & DEA Take Back Drug Event

Saturday, April 30
8 a.m.–Noon
Moore Recycling Center - 220 N. Telephone Rd.

Paper Shredding & Electronics*

*Will not accept printers, copiers or TV's over 32"

For more information, please call (405) 793-4373.

The Moore Police Department will be at the Recycle Event on April 30, 8 a.m.–Noon.

This event aims to provide a safe, convenient, and responsible means of disposing of prescription drugs, while also educating about the potential for abuse of medications.

What is Stormwater Runoff?

It is the rain and melting snow that flows from streets, rooftops and lawns. The flowing water carries salt, sand, oil, pesticides, fertilizers, leaves and grass clippings, oil, litter and many other pollutants into nearby waterways. Each of us contributes to stormwater pollution and each of us can stop it. Here are some ways you can help:

- Keep pesticides, oil, leaves and other pollutants of streets and out of storm drains.
- Divert roof water to lawns or gardens where it can safely soak in.
- Clean up pet waste—bury it or flush it down the toilet.
- Keep cars tuned up and repair leaks.

The amount of pollution that you can stop may seem small, but together it all adds up to cleaner water for everyone to enjoy.

Upcoming Events

For more information contact the Moore Parks & Recreation Department or visit cityofmoore.com

405-793-5090

Citywide Garage Sale

When: June 2-5, 2022

The annual Moore Citywide Garage Sale will be June 2-5, 2022. Residents can register their sale online at www.cityofmoore.com or by calling 405-793-5000.
