Oasis Summer Day Camp is so much fun, the only thing that would make it better is YOU! Parents, if you are looking for a safe and reliable place for your kids this summer, look no further than Oasis Camp. With convenient hours, friendly staff, and being close to home, Oasis Camp is the perfect fit for your family.

Each day campers will experience all day activities such as arts & crafts, STEM projects, games, recreation and so much more. The fun continues as we visit The Station Aquatic Center each Tuesday and go on a field trip each Friday. These fun activities are included in the camp fees, which means no additional cost for having fun!

Oasis Summer Day Camp will provide a snack and drink each day; however, campers are required to bring their own non-microwavable lunch. Parents can enroll their child(ren) in the full summer, or we provide a select week option as well. The City of Moore's Oasis Summer Day Camp is accredited by the American Camping Association.

**Payments will automatically draft every Sunday before camp.
There will be a non-refundable \$25 enrollment fee for each camper.**
