A PROGRESSIVE CITY COMMITTED TO A QUALITY COMMUNITY

2025 | ISSUE 2

Home Repair Program

The City's most recent *Analysis to Impediments to Fair Housing*, completed in 2020, recognized some older neighborhoods are starting to show signs of blight. If left unchecked, it could negatively impact the economic vitality of the community. The analysis proposed a home repair program to assist in supporting these areas in need.

A home repair program has been created that will be available to low-income households, to assist in the management of blighted areas around the city. The eligibility requirements are as follows:

- The residence must be owner occupied
- The applicant must have lived in the home for at least a year
- The applicant's household income must be at or below 80% of area median income

The funding will be a forgivable loan. It will be forgiven after 4 years. The maximum allowable of construction costs funded with the home repair program funds shall not exceed \$5,000. However, if costs will exceed \$5,000 to eliminate specific hazards to safety, health, and sanitation, project costs can be approved up to \$10,000. Currently, \$60,000 has been allocated in the City's budget for the program.

Elizabeth Weitman, Community Development Director, says this allocation is being used to start a pilot program to help eliminate blight before it takes hold in a neighborhood. "By making modest repairs to homes, such as painting, roofing, soffit and eave repairs, the life of the home can be extended indefinitely, allowing homeowners to stay in the home. Keeping our oldest neighborhoods in good repair preserves housing opportunities for today's homeowners and future generations."

For more information about the Home Repair Program, call Kahley Gilbert, Grants Manager, or Sky Larson, Administrative Assistant, at 405-793-4571 or by email cdbg@cityofmoore.com, www.cityofmoore.com/homerepairprogram

Where: Central Park Pavilion
700 S Broadway Ave., Moore
Call 405-793-5090 to ask for a
vendor application.

Dear Friends,

As we start a new year, I want to
take a moment to reflect on the
strength of our community.
Moore is not just a collection of
neighborhoods; it is a vibrant
community woven together by
the dedication of our residents
and city departments. Each
branch or our city government
plays a crucial role in ensuring
that our daily lives run
smoothly, from public safety to
sanitation.

As we go through 2025, let's
remember the importance of
unity. We are all in this
together, and the action that
we take contributes to making
Moore a better place to live.
Whether it's picking up some
trash and throwing it away,
participating in community
events, or something as simple
as pulling your neighbors trash
container back up by their
house. It all makes a difference.

As you have read, there are
many opportunities for you and
your family to be involved in
local activities happening in
Moore. So, as we come together
let's celebrate and take care of
what we have been entrusted
with. It truly is an honor to serve
as your mayor, and I am excited
about what we can achieve
together in the year ahead.

Respectfully,

Mayor Mark Hamm
