## Moore Farm Market Back for Year Two

More than 20 farmers and ranchers make up the backbone of this farmers' market. Moore Farm Market is a partnership between the City of Moore and Cleveland County.

This alliance provides strong support for our local and regional food supply by giving farmers an outlet for their locally grown and harvested products.

Managed by the Cleveland County Farm Market Manager, the Moore Farm Market at Central Park opened in May 2024 after being dormant for a few years. The 2024 season saw thousands of people visit the market with an average of 40 vendors each Saturday.

We expect 2025 to be even busier with vendor interest at an all-time high.

In addition to farm-fresh produce, free-range eggs and pasture-raised meats, the market offers local honey, bedding plants, home-baked goods including sourdough breads, hand-poured candles, dog treats, bath and body products and artisan craft items.

Follow **Moore Farm Market** on Facebook to stay current with market hours, vendor spotlights, special events and more!

Operating Saturdays from 8 a.m. to Noon, the market is being hosted at Central Park's Multipurpose Pavilion, 700 S Broadway Ave., in Moore. The 2025 season runs May 3 through September 20.

## Aquatic Center Opens Memorial Day Weekend

Opening Day is Friday, May 23 at Noon. Purchase your season pass today by calling 405-793-5090.

Are you ready for the summer? It might not be what it was when you were a kid. However, the Moore Parks and Recreation Department is ready; just look at all the activities that are available: swimming, movies, sports camps, activity camps, a fishing derby and the farm market... so much fun! Our Parks Department is constantly working to make all the City's parks a fun and safe place for you.

By now, most should be aware of the 4th Street railroad underpass project. Due to the scale of the project, 4th Street will have to be closed for the duration of the construction. This underpass is estimated to be complete by the end of Summer 2026. This will be an inconvenience for all of us so please be patient as the project progresses. Once the underpass is complete, it will be a great improvement to our infrastructure.

More General Obligation Bond Projects are currently being designed and engineered. For the most up to date information about all the citywide project's updates go to [www.cityofmoore.com](http://www.cityofmoore.com) to get the latest information.

May the Summer of 2025 be your best. Thank you for letting me serve as your mayor.

Mayor Mark Hamm
